

# Managing the 'F' Word in your organisation

Board Financial Oversight

# Invest in financial literacy

# Promote a positive financial culture

Link the units and numbers to impact

Be diligent about implementing cyclical events  
for budgets, forecasts and business plan reviews

Change the way you present your accounts:  
simple, succinct and strategic

# Develop a financial risk management framework

Challenge your accountable officer for finance  
and ask the tough questions

“What If...”

Treat finance and fundraising as two sides of the same coin

Keep an eye on your reserves

# Review your governance structure and introduce a finance committee

Need some help with the 10-point plan?
